All flowers fresh, silk, or potted plants will be removed and discarded weekly for mowing purposes. Mowing may be done on Tuesdays, Wednesdays or Thursdays, of each week. Families are responsible for clearing items they want to keep prior to mowing.

***Lawn ornaments, balloons of any kind, pinwheels, or statues are not allowed.***

No materials i.e. sand, gravel, rock, cement, casting plaster, wax or metal, may be used in cans, jars, vases or containers because of the hazard to mowing equipment. No glass vases are allowed for flowers. Cone vases are available in each area throughout the Cemetery.
